HYBORIAN™ WAR

Kingdom report for The Border Kingdom

Turn: 1

Winter Warseason

NATIONAL HISTORY

Know, my Lord, that thy Border Kingdom, while new in the eyes of others, is an ancient land, long settled by the pure-blooded Hybori tribes who are thy people. All of the Hyborian kingdoms speak a legend of the past, when the tribes left the cruel Northland wastes to skirt a vast swamp as they migrated south.

Five hundred years ago, the last Hyborian tribes were driven from the north by the wild giants of the Nordheim hordes. They in turn drove the tribes before them southward and took this land to be their own. The Hyborian tribes which originally settled our land were soon united under renegade nobles from both Nemedias and Aquilonia who, with pride, first called this land the Border Kingdom.

Honed by over two thousand years of warfare with the Nordheimer reavers and arcane Hyperborea, thy people of the Border Kingdom have become a hardy and warlike race. For centuries, the Border Kingdom has thrived in its bleak land, with hale mountain men of Virunian, excellent marsh warriors available from the hunters and farmers of the Great Salt Marsh, strong farmers of the Lowland Fiefs, and all under the protection of the mounted Noble Warriors.

But history is a mist which has passed. Today all this falls under thy single command. Upon thy shoulders rests our destiny. Heed well now my words, Great one, as I report to thee of the length and breadth of thy kingdom.

IMPERIAL GOALS

Let me tell thee of the dreams of your sires and the dreams of their fathers before them. It is known, my Lord, that if only the following imperial goals can be achieved, a new age of glory and prosperity shall dawn upon the kingdom. Thus have the rulers of The Border Kingdom ever strived to conquer and control the following provinces and control a continuous line of provinces between them and any home province of The Border Kingdom.

The rulers of The Border Kingdom ever strive to conquer and control the following provinces:

The Cimmerian Heartland of Cimmeria
The Nemedian Marches of Brythunia

If successful in achieving these goals, The Border Kingdom will truly become an empire and will be immediately able to raise ten Imperial Troops of a type presently unknown to us.

VICTORY CONDITIONS

Know, Great One, that from days of old it has been prophesied that one would come to us, one who would lead us to glory and victory over all our enemies. Word already spreads throughout the land and among our people that you indeed may be this one. If you would lead us to victory, heed closely to what I now impart to thee. Below I have listed which factors will either benefit or adversely affect the victory of thy kingdom.

You will move closer to victory by increasing and fostering the economic strength of your kingdom. You may do this by conquering new and rich provinces, protecting your trade routes, and seeing to the prosperity and productivity of your kingdom.

You will move closer to victory by controlling provinces which you conquer from other kingdoms.
